1400 Oconomowoc Parkway, Oconomowoc, WI 53066

Phone: 262-567-8282 or 262-965-2262

JOB ANNOUNCEMENT

Firefighter-EMT/Paramedic

The Western Lakes Fire District, WI (pop. 54,568) is seeking progressive, experienced, Fire/EMS safety professionals with strong leadership skills for open positions with the District.

We are seeking to create an eligibility pool and are accepting applications for the position of Firefighter EMT/Paramedic. These positions include entry level and lateral transitions for qualified candidates.

Firefighter/Paramedic Candidate Qualification Criteria

The Fire Commission, Fire Board, and Fire Chief seek candidates with high integrity, an entrepreneurial spirit, strong organizational skills and a commitment to excellence in customer service to serve as firefighter/paramedic. Firefighter/Paramedics are assigned to a particular shift and station and are critical to successful operations. The eligibility pool will be maintained based on the number of successful candidates for an unspecified amount of time for current and future firefighter/paramedic positions with the District.

Successful candidates will minimally possess the following qualifications at time of hire:

- Certified Firefighter I
- Current National Registry or State of Wisconsin EMT-Basic
- Wisconsin Paramedic within six (6) months of appointment
- NIMS ICS: (100, 200) A valid driver's license (WI by time of appointment)

Required qualifications within two years include:

- State of Wisconsin Firefighter II
- State of Wisconsin Critical Care Paramedic
- Certification in Blue Card

Required qualifications within three years include:

- IFSAC/Pro-Board Driver Operator- Pumper & Aerial
- State of Wisconsin Certified Fire Inspector
- NIMS ICS: (700, 800)
- Completion of Company Officer Leadership Academy

Salary, Benefits, and Schedule

The annual salary for this position is \$55,750 - \$84,045 (step 0 through 6) depending on qualifications. Candidates with EMT-basic will start at step 0, those with firefighter/paramedic are steps 1 through 6. Individuals that possess certification/licensure and are approved to operate as Driver Operator – Pumper, Driver Operator – Aerial, or Critical Care Paramedic will have the associated wage added to their base hourly wage. The Western Lakes Fire District offers an attractive benefit package that includes medical, dental, vision, and life insurance; vacation, sick, and holiday time. The District participates in the Wisconsin Retirement System (WRS) and employees have the option to participate in the Wisconsin Deferred Compensation program and short-term disability coverage (AFLAC).

Schedule:

Currently operating on a 24-hours on duty/48-hours off duty (24/48) schedule, but will be evaluating a trial period of a 48-hours on duty/96-hours off duty (48/96) schedule following the Spring 2023 Fire Academy. A permanent schedule selection will be determined based on employee input following the trial period.

Other Information:

Residency: within 15 miles of geographic boundaries, provided that a candidate who does not live within those boundaries at the time of application shall have eighteen months from the first date on which he or she occupies the position with the District to comply with the residency requirement.

Medical: Applicants will be required to submit a medical examination consistent with the requirements of the position, which will include drug testing, after an offer of employment and prior to appointment. This medical exam is designed to reveal any medical condition that might put the applicant at increased risk to self or others as a result of certain exposures or activities and to exhibit freedom from any physical, emotional, or mental condition which adversely affects the performance of duties in the position they have applied for under the essential functions of employment, with reasonable accommodation.

Salary and Benefits: Wages and benefits are determined by the Western Lakes Fire District Board.

Approval of candidates: The Western Lakes Fire District Commission is responsible for the hiring of the District's sworn and full-time employees.

Interested professionals must submit the following materials: a WLFD application, resume, cover letter, certifications, and contact information for five (5) professional references by midnight on Friday, November 18th, 2022 to hr@westernlakesfd.org

About the District

The District is owned by, and provides fire and EMS services to, the residents of the City of Oconomowoc, Village of Summit, Village of Dousman, and Town of Ottawa. In addition, the District also provides fire and EMS services to the residents of the Town of Oconomowoc, Village of Lac LaBelle, and portions of the Town of Merton. EMS services are also provided to the residents of the Town and Village of Sullivan, Town of Ashippun, and portions of the Town of Concord.

The District was built on the partnership and spirit of cooperation between municipalities to provide fire/EMS services in the most fiscally responsible and efficient manner possible. The District is the combination of six previously individual Fire/EMS Departments that have been brought together to provide more efficient service, while increasing the levy of care provided to the communities it serves. These consolidations have also provided a sustainable approach to staffing and decreasing response times, while increasing the level of Emergency Medical Service Care to the Paramedic level.

The minimum daily staffing for the District is 18 to 21 personnel between the six stations. That staffing includes a Duty Chief, six ambulances and five paramedic interceptor units. The stations also cross-staff an engine, quint, or rescue.

Additional staffing from paid-on-call personnel supplements and ensures adequate staffing for all fire, rescue, and motor vehicle incidents. The District maintains another five ambulances that are also staffed when call volumes require additional ambulances, or during special events that occur throughout the District. Our annual call volume of over 6,500 calls includes a mix of fire, emergency medical, specialty service, and high acuity incidents.

Covering 215 square miles, the Western Lakes Fire District's service area is a diverse mix of suburban, rural, and wildland-urban interface with a population of 54,568. Included in the Fire District's coverage area are two hospitals (with one being Level 2 Trauma certified), several miles of Interstate 94 and other state highways, three large behavioral/mental health facilities, seven large elderly living facilities, growing retail areas, expansive manufacturing and distribution centers, multiple outdoor recreational location including the Kettle Moraine State Forest, numerous educational facilities including a high school, multiple middle, elementary, and private schools.

Special services provided by the District include: Search and Rescue with drone operations, Dive Rescue Team with surface Water/Ice Rescue, Rescue Task Force, Rehabilitation Unit, Critical Incident Stress, Interfacility Ambulance Transports, Bike Patrol, and Therapy K9 unit. The District is highly involved with the communities it serves, and regularly attends public relations and education events. These activities include hosting open houses at the District Stations, parades, festivals, block parties, attendance at schools, and many more.

- Completion of Company Officer Leadership Academy.
- NIMS 700 and 800.

RESIDENCY:

Residency within 15 miles of geographical boundaries of the District, provided that a candidate who does not live within those boundaries at the time of application shall have eighteen (18) months from the first date on which he or she occupies the position of Firefighter/Paramedic within which to comply with the residency requirement.

MEDICAL:

Applicants will be required to submit a medical examination consistent with the requirements of the position, which will include drug testing, after an offer of employment and prior to appointment. This medical exam is designed to reveal any medical condition that might put the Firefighter/Paramedic at increased risk to self or others as a result of certain exposures or activities and to exhibit freedom from any physical, emotional, or mental condition which adversely affects the performance of duties as a firefighter in the essential functions of employment, with reasonable accommodation.

SALARY AND BENEFITS:

Wages and benefits are determined by the Western Lakes Fire District Board.

BACKGROUND:

All appointees may be fingerprinted and a record check made of local, state or federal authorities. A conviction is not an automatic bar to employment.

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Nothing in this job description limits management’s right to assign or reassign duties and responsibilities to this job at any time. The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

In signing this job description, the applicant/employee understands the requirements of the position of Firefighter/Paramedic and further understand that duties may be added to this position as necessary.
